

CALPRO RESEARCH FORUM WEBINAR: INTEGRATED HEALTHCARE CURRICULUM AND INSTRUCTION

Join us for an insightful webinar showcasing the integrated healthcare curriculum and instruction presented by two California adult education agencies. We are featuring the Pharmacy Clerk Pathway at Charles A. Jones Career and Education Center and the Phlebotomy Pathway at Saddleback College.

Our panel of practitioners will share effective instructional practices and examples of classroom activities. Learn how these programs are designed to support adult English language learners in achieving their healthcare career goals through coordinated efforts.

Join us to discover practical strategies for enhancing healthcare pathways in your own programs!
