Who We Are

At Ramona Adult School, we serve the residents of Ramona and its surrounding communities. We are endeavoring to make a difference in the lives of the members of our community, both English and Spanish speaking. Ramona's Adult Education program provides the essential learning and testing that is required to assist our adult community in reaching the necessary level of education. The program offers two pathways to earn a high school diploma equivalency and Career Technical Education courses. We make it possible for students to earn their high school equivalency and further themselves in a career. Together with members of the Education to Career Network, we collaborate with industry leaders, corporations, nonprofit organizations, government agencies and individuals to effectively support our students.

What We Offer

Ramona's Adult School offers a pathway of study for students to train for a career in high growth industries.

Courses include:

- **Construction.** Wall and Roof Framing, Drywall, Plumbing, HVAC and Electricity
Students learn how to build, layout and measure materials and they can take it home at the end of class. Safety instruction on proper use of tools and equipment is provided
- **Welding.** We train our students for the high demand, high wage welding career and prepare them for the American Welding Society certification in the following areas:
Shielded Metal Arc Welding
Gas Metal Arc Welding
Gas Tungsten Arc Welding

We also offer both GED preparation/testing and adult education classes. We are licensed in both English and Spanish to test students wanting to earn their GED and we provide direct instruction in the areas where they need additional help to pass the GED test.

Our newest program is the Adult Education High School Diploma Program. After a credit evaluation from their high school transcript, we offer online classes that will allow students to complete the high school requirements and to earn an Adult Education Diploma.

Student Support Services

At Ramona Adult School, we provide additional services to help students achieve their goals. We offer:

- Certified GED Testing Site
- Academic Counseling
